

GOLDEN HILLS RC&D presents

PLANT FAMILY IDENTIFICATION

with Dr. Tom Rosburg

Online class via Zoom
Thursday, February 3
7:00-8:00pm

Sight recognition of plant families is the first step to identifying a plant. There are over 125 plant families represented in the Iowa flora. This class will help you learn to identify half of them.

Open to the public. Pre-registration required. \$10 registration fee.
