Neola:

Penny's Visions Art Gallery, 510 Front Street

Award winning Iowa artist, Penny Christensen's oil paintings are created by using as many as 27 layers of paint in transparent glazes, while her acrylic paintings have over 57 layers. Painting in layers results in a multitude of splendid colors when the light passes through bringing brilliant hues together.

Penny's husband Russ creates bronze sculptures. Russ's work has been shown in museums, galleries, and major art shows throughout the United States and Canada.

Call ahead to make certain they aren't traveling to a show
