

## INTERESTED IN SELLING WHOLESALE?

FarmTable Delivery is a food hub based in Harlan, IA. We serve wholesale customers from the Des Moines metro to Omaha, NE.

## HOW IT WORKS:

When you have products to sell, we list them on our website. You set your price and selling units (1 lb box, 25 lb bag, etc). Our sales period runs every Friday at 8a until Sunday at 9p. On Monday morning, we email you a list of products sold. On Monday or Tuesday, you deliver to our warehouse (or to our truck in Des Moines on Wednesdays) along with an invoice. We take it from there!

## WHOLESALE 101:

- FarmTable producers must carry product liability insurance
- All meat/eggs/dairy must be properly licensed/processed
- We require Iowa Egg Handlers License and Nebraska egg #
- Meat should be processed in a USDA-inspected facility (some exceptions apply)
- Products must be delivered to our warehouse (in Harlan) on Mondays or Tuesdays or to our truck in Des Moines (on Wednesday mornings)
